April 6, 2017

Dear Hawlemont Community,

What another successful year at Hawlemont! We have had many exciting accomplishments, and here are just a few.

- This June, two Hawlemont 5<sup>th</sup> graders have been selected to participate in the Junior National Young Leaders Conference in Washington D.C.
- Our Literacy Committee has sponsored numerous literacy events from Saturday book groups to all school reads.
- Our successful Friday Farmers Market keeps getting bigger and bigger. Please feel free to stop in this spring from 2:30 – 3:15 and purchase some of our goods.
- Our 4<sup>th</sup> grade class is enjoying sweet HONEY from their bee project.
- 5<sup>th</sup> Grade won first place in the state's Green Team Challenge for their Recycling Project.
- We now offer a before and after school program to help working families.
- Most importantly, 30 students from our surrounding communities made the decision to join our community and our enrollment is at an all-time 10 year high.
- Sue Mead, our amazing Kindergarten Teacher, was honored by receiving the Pioneer Valley Excellence in Teaching Award.

We have two exciting events planned this spring. On April 29<sup>th</sup>, we are hosting the **2nd Annual HAY conference** for students, community members, and teachers. In this envelope, there is a registration flier outlining the 24 workshops offered at this conference. Please visit our Facebook page if you would like to register online or feel free to bring the registration form and come the day of. All of the proceeds for this event will go towards funding our school's science and agriculture programs.

Please join us on May 19<sup>th</sup> for our 3<sup>rd</sup> annual **All School Celebration**. There will be 4-H presentations, class projects, cow paddy bingo, an opportunity to tour the school, and a greenhouse filled with flowers and vegetables for sale. We will be serving soup, salad and rolls free to all guests, so please bring your appetite. We hope you can join us!

Please visit our Facebook page (Hawlemont Elementary) for up to date events or call 339-8316 with any questions.

The Hawlemont Elementary School community wants to thank you for supporting our school and we hope to see you soon.

Sincerely,

The Hawlemont Family
